Solutions

# SPACE MANAGEMENT SOLUTIONS

## YOUR TRUSTED PARTNER

Innovative Space Management Solutions (ISMS) is your trusted partner for all your space management needs. We provide expert design, manufacturing, and installation of superior access and storage and modular space solutions that meet a nearly endless range of space management requirements.

# SPACE MANAGEMENT SOLUTIONS

Founded in 2020 with over 20 years of experience providing expert solutions to simple and complicated space and material handling needs nationwide. Our team fully trained and insured and pleased to assist you to find the best products that fit both your design and installation needs, eliminating the complications that space management and material handling construction often brings.

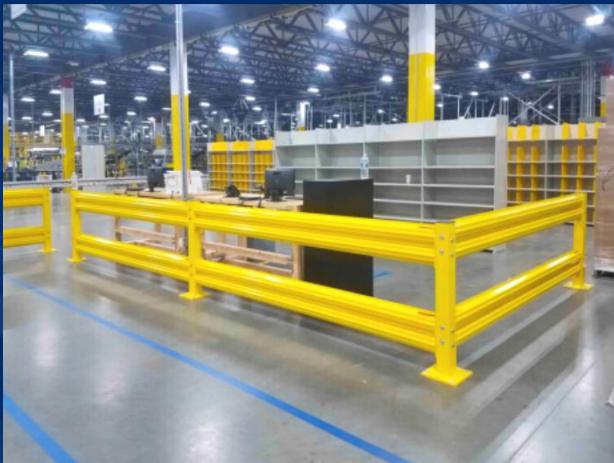

## ACCESS AND STORAGE

Whether your requirement calls for a standard access and storage, mezzanine or a custom designed solution ISMS will collaborate with you to design & engineer a quality finished product, fabricated to your unique application. We take into consideration your building structure, usage and architectural vision.

- Barriers & Partitions
- Gates and Doors
- Lift Systems
- Mezzanine Systems
- Metal Catwalks
- Pallet Racks
- Platforms
- Safety Railing
- Shelving & Racking
- Stairways
- Storage Units

- Wire Cages & Decking
- And more...

# ACCESS AND STORAGE

# MODULAR BUILDINGS

ISMS Modular Buildings are designed for easy and quick relocation and reconfiguration.

Their reusable, relocatable, and expandable design allows for simple installation with minimal disruption to your facility and feature load-bearing roofs, and come in a variety of colors and finishes. Multi-story options are available to optimize space and value.

- Clean Rooms
- Control Rooms
- Controlled Environment
- Curtain & Partition Walls
- Guard Houses
- Haz Mat Storage
- In-Plant Buildings
- Multi-Story Buildings
- Panelized Buildings
- Portable Offices
- Storage Buildings
- Shipping Offices
- Vestibules
- And more...

# MODULAR BUILDINGS

## INSTALLATION

ISMS is a nationwide leader in turn-key installation of access and storage equipment and modular buildings. Our experienced team utilizes the latest techniques and technology for safe, functional, and sustainable installations.

We tailor all of our flexible and cost-efficient services to meet your unique project needs, whether large or small.
