

BALLISTIC RATED BUILDINGS

INNOVATIVE SPACE SOLUTIONS

Innovative Space Management Systems (ISMS) ballistic-rated buildings are engineered for maximum protection and durability. Each unit features an all-welded steel frame, ballistic wall panels, bullet-resistant windows, and reinforced entry systems.

Designed and built to your exact layout and security requirements, our solutions provide unmatched safety without sacrificing functionality. Available in both stationary and mobile configurations, ISMS offers a wide range of designs and finishes to seamlessly fit your operational needs.

APPLICATIONS
